

CINTHIYA SRI S

Srirangam, Trichy – 620006 | cinthiyasuresh@gmail.com | +91 99769 23062

PROFESSIONAL SUMMARY

Computer Science graduate pursuing an M.Sc. in Artificial Intelligence, with hands-on project experience in Python and OpenCV for computer-vision applications. Skilled in building AI/ML-driven solutions, with a strong foundation in HTML/CSS and database fundamentals. Award-winning competitor in inter-collegiate technical events, seeking an entry-level opportunity to apply AI and software development skills to real-world problems.

EDUCATION

M.Sc. Artificial Intelligence — 80% <i>St. Joseph's College (Autonomous), Trichy</i>	2025 – 2027
B.Sc. Computer Science — 71% <i>Holy Cross College (Autonomous), Trichy</i>	2022 – 2025
Higher Secondary Certificate — 74% <i>Vignesh Sri Renga Matriculation Higher Secondary School, Trichy</i>	2020 – 2022

SKILLS

- Programming Languages: Python (basic)
- Web Technologies: HTML, CSS
- AI & Machine Learning: Fundamentals of AI/ML, OpenCV, computer vision basics
- Databases: MongoDB fundamentals, database access concepts
- Soft Skills: Professional communication, body language and presentation, teamwork

PROJECTS

Face Shape Detection & Eyewear Frame Recommendation System <i>Personal Project — Python, OpenCV</i>	Mar 2025
---	----------

- Built an intelligent face-shape detection system using Python and OpenCV to classify facial structure from images.
- Integrated facial recognition algorithms to identify face shapes and recommend suitable eyewear frame styles.

Research Project: GitHub vs. Replit — A Comparative Study	Feb 2025
--	----------

- Conducted a comparative analysis of GitHub and Replit as development and collaboration platforms, evaluating version control, hosting, and ease of use for student developers.

CERTIFICATIONS & COURSES

- AI@Work — HCL Tech
- Developing Soft Skills and Personality — NPTEL
- Introduction to Operating Systems — NPTEL
- Body Language: Key to Professional Success — NPTEL
- Database Access — Certification Course
- Introduction to MongoDB for Students — Certification Course
- Domestic Data Entry Operator — Certification Course

AWARDS & ACHIEVEMENTS

- First Prize — GlitchHunter, Inter-Collegiate Technical Competition (2025)
- Second Prize — Paper Presentation on AI-Powered Humanoid Robots, Inter-Collegiate Competition (2025)
